

Canadian Association of Technical Accident Investigators and Reconstructionists
Ontario Region

Crash Data Retrieval Course.

This is a combination of two courses. The first is a two day technician course and the second is a three day analyst course. These are being taught through the Collision Safety Institute, the manufacturers only recognized trainer. Participants can take either or a combination of courses suited to their needs.

NOTE: Completion of the CDR Technician Course is an absolute, required prerequisite for attendance at the CDR Data Analyst Certification course. Those who have attended a CDR Operator's Certification course prior to January 2008 will NOT have completed the equivalent of the Technician Level course and do not meet the prerequisite for the Data Analyst's Certification course.

The Technician course date is Monday March 22nd, 2010.

The Analyst course dates are Tuesday March 23rd to Friday March 26th, 2010

Successful completion of both courses qualifies for 32 ACTAR CEU's, processed through CATAIR.

Both courses will be held at the Toronto Police Service College located at 70 Birmingham Street, Toronto, Ontario M8V 3W6. Accommodations and meals are not included in the course and is the responsibility of each participant to arrange.

Costs:	Technician Course: 1 day	Catair member: \$175.00 CDN
		Non Catair member. \$200.00 CDN
	Analyst Course: 4 Day	Catair member: \$450.00 CDN
		Non Catair member. \$475.00 CDN
	Combined Courses	Catair member: \$625.00 CDN
		Non Catair member. \$655.00 CDN
